

# 2023 PROPOSED SERVICE CHANGE

The March 2023 service change proposal has concluded. Using the feedback received from our riders, Everett Transit has created a new network plan that focuses heavily on frequency and span of service. Retouring of Route 18 service area is required and will move forward, as will the new Route 19, re-establishing connections along Colby Ave.

This brochure offers readers updated information on improvements and changes to Everett's transit system that will **take effect in April 2023**. Everett Transit will continue evaluating service with a continued focus on accessibility, reliability, sustainability and safety.
