# Plan Your Trip

## How to Plan Your Trip

Look at the system-wide map to see which bus route will take you to your destination (there may be more than one). Identify the route you'll use and find it in this book. Use the map and timetable to determine when the route will serve your bus stop.

The timetable lists trip times and is read from left to right. The route map shows the travel path of the bus.

Time points are indicated on the route map and listed on the timetable to help you estimate what time the bus will be at your stop. You may board or exit a bus at any stop along its route.

## Helpful Tips

Here are some tips to help you with your trip:

- Arrive at your stop at least five minutes early.
- When you see your bus coming, signal to the driver to let them know you would like to board.
- Prepare to pay with your ORCA card or with exact fare; drivers do not carry change.
- Pull the signal cord at least one block before your stop to let the driver know you want to get off the bus.
- If you have a question, please ask the driver when the bus is not moving.

Need additional help? Visit our Customer Service Center (Monday – Friday, 7:30 a.m. – 6:30 p.m.) or call 425-257-7777 (Monday – Friday, 8 a.m. – 5 p.m.).

# Snow Routes & Service

During snowfall or icy conditions, Everett Transit may use the route adjustments on the following pages.

## How snow routes work:

1. Snow routes will be determined on a route-by-route basis, which means one route may be assigned a snow route while other routes are operating normally.
2. Each affected route will be assigned a letter, "A" or "B" indicating which section of the route will be affected.

*For example: Route 18 has two sections of roadway where snow accumulation compromises safety. During snow events, we may announce that Route 18 West is operating "Snow A," "Snow B," or both.*

3. Once declared, a snow route will remain in effect for at least four hours.
4. Route information will be updated on [EverettTransit.org](http://EverettTransit.org), [Facebook.com/Everett.Transit](https://www.facebook.com/Everett.Transit), and [Instagram.com/EverettTransit](https://www.instagram.com/EverettTransit), and can also be accessed via our customer service phone line at 425-257-7777 during normal working hours.

## Please be aware:

- Routes not shown in this book may be placed on a snow route depending on road conditions.
- Snow and icy conditions may cause delays to bus service even if routes are operating normally.
- Do NOT use Everett Transit Arrivals when snow routes are in place. The times will not be accurate, as the system cannot be updated for the short timeframes of the detours.
